Events for Teachers

Calgary EcoSchools Teacher Tour (in-person)

Senator Patrick Burns School Tour

October 25, 2022, 3:30 PM - 4:30 PM

Come and visit Senator Patrick Burns School to hear about their EcoSchools Program experience. Swap notes and get ideas about environmental and climate actions projects your school can get involved in through the EcoSchools Program. Don't miss this opportunity to be inspired and connect with like minded colleagues! Snacks and light refreshments included.

Ongoing Support

The EcoSchools Canada in Alberta Team is here to support you in rolling out the EcoSchools Program at your school. [Connect with us](#) to answer your questions and help your school get started today.

Book Us for Your PD Day!

Would you like to involve your colleagues in EcoSchools? The EcoSchools Canada in Alberta team is available to deliver PD workshops to your school. Whether you're just getting started, interested in exploring specific EcoSchools themes, or wanting to take your EcoSchools experience to the next level, we've got a workshop for you!

We offer virtual or in-person sessions (location dependent) with funding to help pay for substitute teachers. Virtual sessions can be arranged for EcoSchools elsewhere in Alberta. Check out our [list of workshop offerings](#) and book us for your next PD day!
