

# EcoSchools Canada in Alberta September Calendar of Events

Our Calgary and Capital Region program managers are available for one-on-one meetings to answer your questions and explain how we can support your EcoSchool journey.

The 2021- 2022 EcoSchools Canada program is launching on September 27! Every day that week we are offering webinars to help get you started.

## September Session Descriptions

### Launch Your School Year with EcoSchools Canada in Alberta!

Learn how your school can get involved in climate solutions and get recognized as an EcoSchool! EcoSchools Canada is an environmental certification framework to engage students and the entire school community in environmental and climate action projects. EcoSchools Canada is free and available to publicly funded schools across Alberta.
