

# Kindergarten Social Studies Curriculum Links to Sustainability Education and Action

## Being Together

Kindergarten emphasizes a strong sense of identity and self-esteem and is a student's introduction to citizenship.

### Links to Place and Nature

- What are the four basic elements of Mother Earth? (land, air, water, fire)?
- How am I connected to nature and Mother Earth?
- How am I connected to living things around me?
- How can we work together to look after our common home?
- How can I show that I care for the environment?

### Links to City of Calgary Environmental and Climate Strategies

- City of Calgary's Nature Explorations programs (1) provide environmental education and nature experience for students in preschool to Grade 12

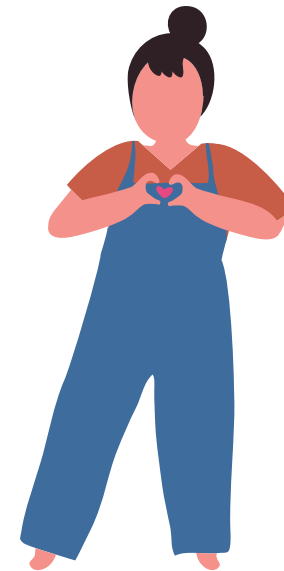

### Links to Indigenous Perspectives

- How do Indigenous peoples foster cultures of belonging?
- How do Indigenous peoples view their relationship to Mother Earth?

### Links to Climate Change

- Why is taking care of Mother Earth important?
- What actions can I take every day to take care of Mother Earth?
- Why is conserving energy important? What can I do to conserve energy?
