

**Energy, Environmental, and Outdoor education
providers in Alberta (138 total, with majority featured in our [Resource
Hub](#))**

Revised July 2019

Notes:

Providers with an asterisk (*) support K-12 education

- There are 114 providers in total that do this work!
- Many of which also provide climate education

Providers without an asterisk support adults, families, and professionals

[Providers in blue are not based in Alberta, but do provide resources to Albertans](#)
